Sales of Vales and StreamingHwhile albums are decreasing in recent years, the use of transmission services³ is not increasing. To track sales and transmission³ the 200 album chart schedule is delayed by a few days to cover a full sales week. Over the past few years, on-demand audio and video streaming services have ³ high records for streams. Often, lyric websites have the lyrics of all the songs of an artist organized by the album or alphabic. Browse to the website that matches the songÃ ³ you are looking for, and find the lyrics of songs to print. If you only know the artist's name, you can still find the lyrics to a song³ n. This is especially useful for popular songs in different languages. Shazam, Soundhound, Genius, Siri for Apple devices and Google for Android devices can identify a song³n you hear on the radio or in the background somewhere. Hot 200 albums are released every Friday, which is also the global release date for the most new albums. Be as specific as possible. They include: Sales: Nielsen tracks all physical and digital record sales from 19 different countries, including the United States and Canada.
